Message

From the land of Mahatma Gandhi comes a message "सा विद्या या विमुक्तये" Gujarat the land of entrepreneurs has always been emphasizing on basic education to all children - especially **Girl's education**, since the time of pre-Independence.

It is the education which empowers down trodden and marginalised section of the society. The quality of education empowers today's youth to march ahead and establish themselves. Gujarat state has been promoting education through various programmes like shaala praveshotsav, Gunotsav and kanya kelavni drive.

I convey my wishes to **Mahatma Gandhi University - Meghalaya** in their endeavor to empower youth of North East states especially to bring tribal and minority youth into mainstream development.

(Narendra Modi)

To,
Shree Rajan Chopra, Chancellor
Mahatma Gandhi University,
13th Mile, G. S. Road
Opp. Forest Training College,
Po & op- Byrnihat, PS - Nongpoh
District - Ri-Bhoi, Meghalaya.
