MESSAGE

It is a matter of immense pleasure to know that the Meghalaya based Mahatma Gandhi University is organizing a **"Scholarship Program"** on 19th July, 2012 at New Delhi, wherein scholarships will be awarded to the physically challenged and marginalized sections of our society.

As we all know, Mahatma Gandhi was a great internationally known leader who worked tirelessly for the welfare of the people national laying special emphasis to improve education system, to promote unity among Indians and to reform society and eliminate untouchability. I am sure his clarion call and glorious life will continue to inspire the students of the University and our future generations.

The various programmes of the University like skill development and also the incorporation of Learning Management System (LMS), four colour SIM Material, Video Lectures & Industry Speakers being initiated are really praiseworthy.

I am sure, that the University will continue to provide quality education and emerge as a pioneer centre for excellence in North Eastern Region as well as the whole country.

I wish for a grand success of the event.
